SUBPOENA RESPONSE

We received a Subpoena addressed to "Corporate Creations Network" requesting call records for "832-878-7954". Corporate Creations Network, Inc. is not a custodian of cell phone records and has no knowledge or record of number 832-878-7954. We do not have this information.

Rather, we are a registered agent service provider, the role of which is limited to the receipt and forwarding of documents, such as this, delivered to us on behalf of companies for which we serve as their registered agent. We do not have substantive involvement with the business operations or record keeping of our corporate clients. Perhaps, the subpoena was intended to be addressed to a corporate client of ours however Corporate Creations is the only company mentioned and is the party being addressed.

If perhaps our company was addressed by mistake you may revise and re-serve the subpoena correctly naming the company you wish to produce records. We will gladly deliver a subpoena sent from your office properly addressed to a company for which we are registered agent for service of process and delivered "c/o Corporate Creations Network Inc." at our registered office.

Sincerely,

Trent Bavaro
Vice President & Corporate Counsel
